Robert R. Kerley, Plaintiff,
vs.
Fannie Carman, Margaret Fleming, Welding Parks, and the unknown heirs (descendants) of Martin Parks and Mildred Parks, deceased, and their consorts, Defendants.

Now at this day comes the plaintiff herein by his attorney and files his petition, duly verified by affidavit, alleging among other things, that defendant, Welding Parks, is a non-resident of the State of Missouri and that defendant, the unknown heirs (descendants) of Martin Parks and Mildred Parks, deceased, are interested in the subject matter of said petition as hereinafter set forth and whose names he cannot insert in said petition because they are unknown to him and could not be obtained by diligent inquiry; whereupon it is ordered by the clerk of said court in vacation, as follows: To the said defendants, Welding Parks, and the unknown heirs (descendants) of Martin Parks and Mildred Parks, deceased, and their consorts, you are hereby notified that the plaintiff has commenced a suit against you in this court, the object and general nature of which is to obtain a judgment and decree of court to try, determine, settle, define and quiet the title to the following tract of land situate in Lafayette County, Missouri, to-wit: The west half of the southeast quarter of the southeast quarter of section 22, in township 48, of range 25, in which petition plaintiff states that said land was patented by the U. S. to one William M. Parks in 1857 and that he appears of record never to have conveyed the same whereby said title of record appears to be vested in the heirs of said William M. Parks, who is dead, and that the plaintiff herein claims said land removed from said land about forty years ago and that neither he nor deceased, nor any of them has had any possession of nor said any taxes on said land since that time; that said William M. Parks, left surviving him his only heirs at law, his children, Fannie Carman, Margaret Fleming, Welding Parks, and Mildred Parks, both of whom are living and are the heirs and descendants of said William M. Parks, and that said Mildred Parks would inherit their respective shares or portions of their parents in and to said land but plaintiff has been unable to ascertain what defendants they left nor their names or places of residence; plaintiff prays that he be the owner in fee simple title and is in possession of said land and the apparent title of said defendant, and of all said land, and that he has been so since barred by the Statute of Limitations; plaintiff prays the court to try, ascertain and determine the exact title, and interest in said land and defendants in said land and settle, quiet and define such respective rights and titles and decree that plaintiff be the sole owner of said land and forever bar and preclude the defendants and each of them and all persons claiming by, through or under them from hereafter setting up any title or claim to said land and for all proper relief.

Now unless you the said defendants, Welding Parks, and the unknown heirs (descendants) of Martin Parks and Mildred Parks, deceased, and their consorts be and appear at this court, at the next term thereof, to be begun and holden at the Court House in the City of Lexington, in said county, on the 5th day of February, 1914, next, and on or before the said day of said term answer or plead to the petition in said cause, the same will be taken as confessed and judgment will be rendered accordingly.

FOR DELICATE CHILDREN

A Mother's Letter to Mothers.
Mrs. E. W. Cooper of Bloomfield, N. J., says: "My child, seven years old, had a bad cold and was weak and run down in health. She had been in this condition for about six weeks when I began giving her Vinol. It was a wonderful help to the child, breaking up her cold quickly and building up her strength beside. I have also found Vinol a most excellent tonic for keeping up the children's strength during a siege of whooping cough."

Vinol is a wonderful combination of two world-famed tonics—the medicinal body building elements of cod liver oil and iron for the blood, therefore it is a perfectly safe medicine for children, because it is not a patent medicine, everything in it is printed on every package, so mothers may know what they are giving their little ones.

Therefore we ask every mother of a weak, sickly or ailing child in this vicinity to try Vinol as our guarantee. Crenshaw & Young, Druggists, Lexington, Mo.

P. S. Our Sazo Salve is truly wonderful for Eczema. We guarantee it.
